MS Visual Studio, XCode, MS SQL Server Reporting Services, Chrystal Reports, FastReport, Photoshop and Flash
Jira and Scrum

EXPERIENCE

Dogan TV

Mar. 2008 - Present

Dogan TV - Software Development and Technical Innovation Manager

Jan. 2014 - Present

Managing the Dogan TV Software Development Team

netd.com (<http://www.netd.com>), kanald.com.tr (<http://www.kanald.com.tr>), cnnturk.com (<http://www.cnnturk.com>)

- Leading and managing a team of application engineers and Web developers, overseeing their work, and ensuring that they build high quality applications and features
- Allocating appropriate resources to ensure predictable delivery of multiple applications and projects
- Collaborating and analyzing project requirements and features with product managers
- Attracting exceptional engineers, attending technical interviews and managing their annual performances
- Handling recruitment, training and performance management of team members.
- Deciding modeling, software architecture, system architecture and scalability architecture
- Being software development consultant for the team.
- Coding using lots of technologies
- Managing the team with Scrum (with Jira)

netd.com (<http://www.netd.com>) - Software Development Manager

Aug. 2012 - Jan. 2014

Managed the netd.com Software Development Team

- Managed a team of application engineers and Web developers, oversaw their work, and ensured that they build high quality applications and features for netd.com
- Allocated appropriate resources to ensure predictable delivery of multiple applications and projects.
- Handled recruitment, training and performance management of team members.
- Modelled and decided software architecture, system architecture and scalability architecture
- Acted as software development consultant for the team.
- Managed the team with scrum (with Jira)

We built a multi site and flexible CMS system on the following technologies for Dogan TV, now almost all Dogan TV websites use this CMS system.

MongoDB (Core and Stats DBs), ElasticSearch (Fulltext Search) and Redis (Session Management and Cache)

ASP.NET MVC, Web Api, OData, BackboneJS, Angular JS and LESS

Python (Recommendation Systems, Machine Learning Algorithms, Data Analysis) and Django for report systems

HLS Flash and HTML5 Video Player with VAST 3 support in Action Script 3

cnnturk.com (<http://www.cnnturk.com>) – Software Development Manager

Mar. 2009 – Aug. 2012

Managed the cnnturk.com Software Development Team

- Supervised the team of software engineers responsible for maintaining cnnturk.com internet properties and developing new features.
- Supervised release engineers responsible for weekly software releases.
- Conducted weekly negotiations between business and engineering teams, building consensus on the prioritization of bug fixes and feature requests.
- Led yearly capacity planning efforts to ensure systems were stable enough to handle high traffic.
- Handled recruitment, training and performance management of team members.
- Developed code in a lot of technology.
- Developed iPhone, iPad, Android, Nokia Ovi and Samsung Bada mobile applications

SQL Server, ASP.NET MVC, Objective C, Java, NHibernate and Entity Framework

cnnturk.com (<http://www.cnnturk.com>) – Sr. Software Developer

Mar. 2008 – Mar. 2009

Team member as a Sr. Software Developer

- Was promoted to manager after one year as senior team member.
- Developed cnnturk.com CMS System
- Maintained cnnturk.com internet properties and developed new features.

SQL Server, ASP.NET MVC, Objective C, Java, NHibernate and Entity Framework

VERUS BILISIM (<http://www.verus.com.tr>)

Oct. 2005 – Mar. 2008

Software Development Team Leader

Acted as Team Leader

- Managed the team of application engineers and Web developers
- Developed a lot of different applications and web sites
 - Congress Management software
 - Abstract Management software for congresses
 - Shipping and Cargo management software
 - ERP Software for shipping firms
 - Actionscript small car race game development for new Mercedes C
 - Various kiosk software
 - CMS system to manage congress web sites
 - Custom ORM Solution
 - and lots of other projects.

Visual C#, ASP.NET 1.1, 2.0 etc., SQL Server, PostgreSQL, MySQL, SQL Server Reporting Services, FastReport, Chrystal Reports and Devexpress

HYBK BILISIM

Jan. 2002 – Jun. 2005

Web Developer

Various web development projects after school and weekends

PORTFOLIO

GUI for CNC Machines (PLC Controller, Cad/Cam)

2013 – Present

Schtec Machine (<http://www.schtec.com.tr>)

- Modelled and implemented Visual C# User interfaces to drive CNC Machines

Visual C#, SQLite, TwinCat and Cad/Cam

Multi Language eCommerce Software

2009 – Present

www.shoetekfiyat.com (<http://www.shoetekfiyat.com>)

- Modelled and implemented web framework and build system

ASP.NET MVC (C#), SQL Server, NHibernate, SQL Server Reporting Services for Reporting and Invoices, Bootstrap, LESS, JQuery

Pronet iPhone Panic Button Application (Awarded with the Altın Örümcek)

2013

- Developed native iOS application

XCode, Objective C

Online Poker Hand Replayer

2012

- Developed hand replayer for online poker sites.

Action Script 3

Bulk Email Software

2011

- Developed bulk email sender application in Java and C# (separately for different server systems) languages (it could find bounce emails, it could analyze spam scores etc)

Java, C#, SQLite

Helpdesk Software

2009

- Developed online helpdesk software to manage tickets

ASP.NET C#, SQL Server, SQL Server Reporting Services

Microsoft CRM and Navision Addons for Windows Mobile

2009

- Developed Microsoft CRM and Navision Addons for Windows Mobile

Visual C#

EDUCATION

PHYSICS

2000 - 2005

Istanbul / Turkey

ISTANBUL UNIVERSITY

- Graduation thesis on Chaos Theory

CERTIFICATES

PROJECT MANAGEMENT AND PMP PREPARATION

2012

YILDIZ TECHNICAL UNIVERSITY / 5 Weeks

C-SAP SECURE SOFTWARE DEVELOPMENT

2009

LOSTAR / 3 Days

TRAINING

Machine Learning

2013

Stanford University / iTunes U (<https://itunes.apple.com/tr/course/machine-learning/id495053006>) Andrew Ng

Stanford University / iTunes U (<https://itunes.apple.com/tr/artist/paul-hegarty/id384228265?mt=2>) Paul Hegarty

Stanford University / iTunes U (<https://itunes.apple.com/tr/artist/alan-cannistraro-josh-shaffer/id384228265?mt=2>) Alan Cannistraro, Josh Shaffer

Netron (Consultancy) / 4 Months

FAVORITE BOOKS

- Collective Intelligence / Toby Segaran
- Machine Learning An Algorithmic Perspective / Stephen Marsland
- Data Mining Practical Machine Learning Tools and Techniques / Ian H. Witten - Eibe Frank - Mark A. Hall
- Learning Python / Mark Lutz
- Professional NoSQL / Shashank Tiwari
- Professional Hadoop Solutions / Boris Lublinsky Kevin T. Smith Alexey Yakubovich
- Professional ASP.NET MVC / Jon Galloway, Phil Haack, Brad Wilson, K. Scott Allen, Scott Hanselman
- ASP.NET Unleashed / Stephen Walther
- Java 2 Unleashed / Stephen Potts, Alex Pestrikov

HOBBIES

- Bass Guitar Player
- Music: Jazz, Fusion, Rock
- Basketball

PERSONAL INFO

- Date of Birth: 07.03.1981
- Marital Status: Married
- Military Service: Completed (2005)
- Driving License: Yes
- Smoker: No
